Key Facts

We all look different and unique. We have different colour hair and eyes. We are different shapes and sizes. We have different interests, likes and dislikes.

We live in different houses but in the same community of Keyham. We have shops, a park, churches, schools and the Dockyard in our community too!

In autumn, the leaves on the trees change colour and fall to the ground. We might find pine cones and conkers and celebrate harvest, Halloween and bonfire night. In winter it's cold and icy and the trees are bare.

Christmas is celebrated around the world in different ways. Christians celebrate Christmas because they believe this is when Jesus was born.
